BAYZID		
Person 5		
Person 5		
Person 5		
Person 6		

Person 6		
Person 6		

Max three rows per group member. Task status: (N) new (O) ongoing (X) no report

Other Issues and Risks

We are having issue with making automatic deletion on the database so when a customer is deleted it doesn't delete the table row that are linked to the customer e.g. the vehicle or booking.
